

# Motion 2018 Student Conference

July 26-July 28, 2018     Birmingham, AL

## Trip Guidelines Form

1. Chaperones must be obeyed at all times. What they say is what the rule is. Their judgment is trusted; otherwise they would not be chaperones.
2. Your room assignments are non-negotiable.
3. GUYS are not allowed in GIRL'S rooms and GIRLS are not allowed in GUY'S rooms.
4. EVERYONE MUST REFLECT THE VALUES OF OUR CHURCH AT ALL TIMES!
5. Chaperones will be expected to conduct themselves in an attitude and conversation as a seasoned, mature Christian, understanding that this is a church sponsored trip.
6. You can bring snacks on the trip; make sure they are snack foods and beverages are only clear color (sprite, water or clear Gatorade).
7. Everyone must stay on the arena grounds during sessions.
8. We will have devotion every night. It will be late, but it always an awesome time together! ☺

**Parents, be sure that you are prepared to come and get your child if they feel they can not follow these guidelines and principles that have been placed before them. Your signature on the form will mean that you trust our judgment when we ask you to come and get your child.** (With very few exceptions, we have always had a good time and no problems. Everyone just needs to know what the guidelines are up front).

---

*I have read the preceding rules and agree with them completely. In the event a decision is made that warrants me to come get my child, I am prepared to do so.*
